

GIULIA PALMITESTA

ABOUT

I'm an aspiring **producer** with a background in **art direction** and **architecture**, deeply obsessed with the visual world. Organization is my guilty pleasure: I arrange trips, bookshelves, playlist and even thoughts. I love the texture of what's handmade but I embrace the speed and possibility of the digital world.

EDUCATION

intermediate

PERSONAL INTERESTS

I studied **ballet** for ten years and **clarinet** for three years. During high school, I took part in **volunteer** activities, including a formative one-month experience in Mexico supporting people in need. Beyond that, I enjoy **theatre, magazines, museums, tennis, reading, long bike rides, reorganizing my socks drawer by color** and **finding the best price possible**.
